

Attestation E1-184

Herewith it is confirmed that in the second half of 2018, performed on 27.11.2018, a regular supervision of the product

SWISS KRONO MDF

MDF, unfaced
in the thickness range: ≤ 40 mm

manufactured by

SWISS KRONO GmbH
Wittstocker Chaussee 1
16909 Heiligengrabe
Germany

was carried out by the approved supervision body (NDS08)

Fraunhofer Institute for Wood Research

Wilhelm-Klauditz-Institut WKI
Bienroder Weg 54E, 38108 Braunschweig, Germany

according to supervision contract no. 184 dated September 26, 1994. It was found that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994. This attestation is part of the evaluation report. The continuous external supervision of factory production control shall take place twice a year.
